QUESTIONS AND ANSWERS

Q1. Where will we be able to sign up for the training?

A: <https://preventionpluswellness.com/products/online-self-paced-ppw-program-implementer-training>

Q2: I noticed in the proposal that the program should be administered during school hours, but a little further down in the proposal, it says community setting, etc.?

A: *The Scope of Service in the RFP includes a description of settings where the SPORT model has been implemented by other entities in other places. The selected applicants for this RFP are required to implement the services in a community or school setting in Baltimore City.*

Q3: Does the training have to be completed by a certain date?

A: *Training must be completed before program implementation.*

Q4: Is the contract for 1 year only?

A: *1 year only*

Q5: Do we get to choose a middle or high school of our liking, or does BHSB assign schools for us?

A: *BHSB does not assign schools. Selected applicants will choose the locations for service delivery, which could be either in the community or a school, where services are provided. The community or school location must be in Baltimore City.*
